Office of the Deputy Commissioner,
Bangalore District.
Dated Bangalore, 9th September 1925.

Dear Sir,

With reference to your letter No.L.1603 dated 3rd Sept. 1925 calling for the early submission of the report on the indebtedness of Mr. B. Abdur Rahmon, President, District Board, Bangalore District, I beg to state that in spite of my repeated requisitions, Mr. Abdur Rahmon has not furnished his explanation. Your letter No.L.9041 dated 25-6-1925 addressed to Mr. Abdur Rahmon stating that Government expect a prompt compliance with the requisitions of the Deputy Commissioner in the matter has not elicited any reply from him till now.

2. As stated in my previous letter No.C.C.241/24 dated 6th January 1925 a suit was pending against Mr. Abdur Rahmon and another Omar Saheb for Rs.19,000 in the District Judge's Court, the plaintiffs in the suit being one Yajaman Chickaveerappa and his son Gurubasappa and as a result of the above suit the house of Mr. Abdur Rahmon was notified for sale. It is since ascertained that Mr. Abdur Rahmon's house in Benki Nawab Street, Kumbarapet, Bangalore City, was sold by Court auction for Rs.6,000/- on 10-8-1925 and his garden and lands in Bannerghatta road for Rs.2500/- on 11-8-1925 and that both these properties were purchased by the decree holders viz. Chickaveerappa and Gurubasappa.

3. I am again writing to Mr. Abdur Rahmon for furnishing his explanation and if a reply is received the same will be communicated to you without delay.

Yours sincerely,

B. Lakshmana Rao

N O T E.

In his petition dated 20th September 1924 one Munivenkatappa, contractor, residing in Kumbarpet, Bangalore city brought to the notice of Government the high indebtedness of Mr. B. Abdur Rahmon, B.A., Non-official President of the District Board of Bangalore by producing a copy of the sale notification issued by the District ~~Magistrate~~ Judge of the Bangalore Division, announcing to the public the sale of the dwelling house in Kumbarpet, Bangalore city and dry lands on the Bannerghatta Road belonging to Mr. B. Abdur Rahmon in satisfaction of a decree for Rs.16030-9-0 -- passed in O.S. No. 38 of 19-20 pending on the file of the District Judge's Court and represented that it was not desirable to entrust him with the sole responsibility of the District Board.

This petition was submitted to the then 1st Member on 24th September 1924. He was pleased to minute as follows:-

"There was a similar petition against the President some time ago and a report was called for. Put up that file".

(Intd) M.H.H.
27-9-24

As no such petition was previously received in the matter, the papers were submitted to the 1st Member and his orders sought for as to whether a report might be called for. He then ordered as follows:-

"Yes. Enquire demi-officially from the D.C and he may be asked to send it with the explanation of Mr. Abdur Rahmon."

(Intd) M.H.H.
4-11-24

Accordingly a confidential D.O. letter was

p.t.o

issued to the Deputy Commissioner on 5th November 1924.

In his D.O. letter No.C.C.441/24-25 dated 23rd February 1925 the Deputy Commissioner replied that Mr. Abdur Rahmon had not replied to his letter requesting him to intimate the arrangement he had made to satisfy the Civil Court decree standing against him inspite of a reminder issued to him on 19th Jany. 1925.

When the file was submitted to the Second Member of Council, he was pleased to minute as follows:-

"Mr. Abdur Rahmon saw me this morning and said this was due on account of his having stood as surety and that he is trying to clear the amount and we may await the date of sale. The fact remains that he has not replied to D.C's letter in this and other matters and if Dewan approves, I would ask the Secretary to send him Mr. Abdur Rahmon a confidential letter to say that Government have heard with regret from the D.C. that he ~~was~~ did not replied to the D.C. in this and other matters in spite of reminders and that Government expect non-official gentlemen to co-operate in administration by sending replies to communications with promptitude and send a copy to D.C."

(Intd) K.C.
5-3-25

The file was accordingly submitted to the then Offg. Dewan, and he minuted as follows:-

"But before we write, we must be sure as to what steps we should take in case Mr. A.R. does not reply. His term of office will expire, I suppose, in the month of November. Why not we allow things to take their own course".

(Intd) M.H.H.
8-3-25

When the file was again submitted to the Second Member with information that the term of office of Mr. Abdur Rahmon, as President of the District Board would expire on 2nd October 1925, he was pleased to record as follows:-

"The letter proposed was not for clearing arrears, but for replying to Deputy Commissioner's letters. I think the President should reply to letters addressed in ~~the~~ an official capacity".

(Intd) K.C.
13-3-25

The file was again submitted to the Offg. Dewan He was pleased to direct as follows:-

"Please write to the President demi-officially and warn him that it is his duty to attend to the requisitions of the D.C."

Intd. M.H.H.
19-3-25

A D.O. letter was issued to the President of the District Board on 30th March 1925 warning him that it is his duty to attend to the requisitions of the Deputy Commissioner.

The Deputy Commissioner in his D.O. letter No.C.C. 241 dated 15/15th May 1925 reporting ~~that~~ that, as Mr. Abdur Rahmon had not yet replied to him in the matter, his explanation could not be submitted as directed. Therefore the 2nd Member was pleased to write as follows

"The draft in this important letter should have been sent to me and would have been differently worded.

The position is that the President has not replied to the Deputy Commissioner, Re. his indebtedness although warned by Government about his duty to attend to requisitions of the Deputy Commissioner.

Is there any provision in law or precedent in such a case?"

(Intd) K.C.
21-5-25

With reference to the above query, it was stated that there were no precedents nor was there any provision in the Local Boards and Village Panchayets Regulation under which the President could be compelled to give information in regard to the matter in question -- (Vide Sections 32 to 36 of the Local Board and Village Panchayet Regulation).

Therefore the L & L Secretary minuted as follows:-

"On general principle the Government seem to have inherent power to require the President to -- give information on a subject touching his conduct as a person holding an office. In the present case the Government may perhaps be all right in asking him to give the explanation required by Deputy Commissioner. If necessary a reminder might be sent".

(Intd) B.N.
6-6-25

When the file was submitted to the Second -- Member, he was pleased to direct as follows:-

"Send a reminder and say that Government expect prompt compliance".

(Intd) K.C.
10-6-25

When the draft reminder was submitted to the Second Member, he was pleased to say as follows:-

"May issue. Ascertain a month hence from D.O. whether a reply received".

(Intd) K.C.
19-6-25.

With reference to the reminder issued from this office on 3rd September 1925, the Deputy Commissioner in his D.O. letter No.C.C.241/25 dated 9th September 1925 stated that inspite of his repeated requisitions, Mr. Abdur Rahmon has not furnished his explanation and that, as already reported, a suit was pending against Mr. Abdur Rahmon and another Omar Saheb for Rs.19,000/- in the District Judge's Court, that as a result of

the above suit the house of Mr. Abdur Rahmon was notified for sale, that it was since ascertained that Mr. Abdur Rahmon's house in Benki Nawab's street, Kumbarpet, Bangalore city was sold by -- Court auction for Rs.6,000/- on 10th September 1925 and his garden and lands in Bannerghatta road for Rs.2,500/- on 11th August 1925 and that both these properties were purchased by the decree-holders Viz. Chickaveerappa and Garubasappa.

This was submitted to the Second Member and he recorded as follows:-

"Please submit to Dewan for perusal".

(Intd) K.C.
17-9-25.

When this was accordingly submitted to the Dewan, he was pleased to minute as follows:-

"Seen. I think it may be desirable for the Government to send for him and ask him about his pecuniary position."

(Intd) A.R.B.
13-10-25

In the meanwhile the Deputy Commissioner forwarded with his D.O. letter No.C.C.241/24 dated 21/22nd September 1925 in original letter dated 18th September 1925 from Mr. Abdur Rahmon furnishing his explanation regarding his indebtedness.

When this was submitted to the Second Member, he was pleased to ask for a self contained note of important portions and has observed that the method of enquiring was not right and has enquired to know why the draft of 30th March 1925 was issued without submission to him.

A note is accordingly Submitted

I shall be glad if a self contained typed note of important portions of this and of all the minutes of permanent and offg. Dewan and myself are made, and also an explanation put up why when the wording of my minute (No. 10) was so courteous the draft of the important D.O. 'warning' him was not submitted before issue. The meaning of "warn" in 16 is ~~difficult~~ different and in any case, while trivial drafts are submitted, and in view of my language in 10, it is difficult to make out why draft was not submitted. This is the only mistake made in this correspondence, I think. It is certainly open to Government to enquire whether a public servant has warrants against him etc. The method of enquiry is the point.

Intd: K.C.
25-10-25

Respected Sir,

Many many thanks for your very kind confidential No. c.c.241/25 dated 9th September 1925, which I received on Friday the 11th instant at 11.30A.M, when I was about to start to attend the meeting of the Legislative Council. On Saterday morning I had to attend the Municipal Council meeting and I had an attack of severe head-ache and fever on Saturday afternoon and whole of Sunday, Monday and Tuesday, and I feel a little better today. Thus I could not reply you earlier and I humbly beg of you to be kind enough to pardon me for the delay which was beyond my control.

I thank you, Sir, for your generously allowing me the time of three days in your above confidential letter for a reply.

Thinking that the interference of Govt. Officers in the private family affairs of a Hon: Worker, whose honesty and fidelity had been tested on more than one occasion by the Govt. was uncalled for; and in the face of my having given in person an explanation in this connection to Mushirul Mulk Mr. Mir Humza Hussain Sahib and as he was satisfied, and recently as I had given similar explanation to Mr. K. Chandy after he was appointed as Second member of Council, I thought it best not to bother you with all the explanation necessary in this connection, and thus I did not send you any reply.

I beg to bring to your kind consideration again and even with force that this affair is purely a family one and in no way the interference of Govt. Officers would help me.

I am extremely sorry,Sir, that you on behalf of the Govt. of His Highness our beloved Maharaja, are insistently bent upon knowing a matter which has nothing to do with my public Work.

I may be pardoned,Sir, if I request you to be so kind enough as to inform me under what provision of which Regulation,the Govt.on behalf of which you are constantly writing to me confidential letters are empowered to interfere into the family affairs of a Hon'r worker. These are purely family affairs and your ~~in~~terference in a case like this, I am sorry to say, is against any law of decency. I may be pardoned again, if I ask you, how you are competent to enquire into the family affairs of a non-Official worker,which have nothing to do with any of the Public affairs with which he has any connection.

Now coming to the point under reference,Sir, I beg to inform you that my father-in-law Mr.Hessarghatta Oomar Sab,whom you may know or of whom you might have heard,had taken Contract to supply fuel and Charcoal to Kannambady project,and to construct the ~~Darein~~ Dam in Subbarayana Ghati. He was in need of money. He had borrowed a large sum from the Bank of Mysore and as he was in need of further amount to carry on his work,he wanted me to come to his rescue,as we were living together then. As his properties were mortgaged to Mysore Bank,he and I jointly barrowed about ₹14,000/- from the present decree-holder,at a time when I had nothing to do with Public Work.

My father-in-law sustained heavy losses in his Contract as so many other Contractors that had gone to Kannambady considering it to be an El-dorado

had sustained. The result was that I had to face an unpleasant situation - being one between a father-in-law and a son-in-law. With all our resources at our command,we paid to the last pie to the Bank of Mysore. You can ascertain it,if you care to do so. As the money market had become very tight owing to the outbreak of the Great European war,we had to sell some of our properties also and I sold one of my best lands in Kengeri for ₹10,000/- with the object of honestly paying the amount due to our creditors.

Just at a time when we had settled the accounts of many of our creditors and only very few were left, unfortunately I lost my wife and the feeling between my father-in-law and myself naturally began to wean away.

A few of those people who are raising a campaign against me and who are also the good friends of the present decree-holder,got a Civil suit filed against me and my father-in-law. A decree was obtained and the execution of this decree is the whole sum and substance of all my indebtedness upon which so much hue and cry is being raised. The amount of the decree is about ₹17,000/- We have paid him till now - ₹12,000/- The amount yet to be paid along with the interest may come to about ₹6,000/- or so,which amount is also under dispute as in this connection an appeal in the Chief Court filed by me is pending. Some of the chief causes of delay in the discharge of the decree amount is the strained feeling that has been created between myself and my father-in-law on account of the unfortunate untimely death of my wife, and owing to my trying to eke out as much money as possible from him in these strained circumstances. This is the only debt that I have to pay. It was Contracted

Contracted at a time when I had nothing to do with the Public Work and under peculiar family tie, and there are no other decrees against me. This can be ascertained from the Sub-Registrar's Office and from the several Civil Courts in the State.

What about so many non-official workers some of whom are overwhelmingly indebted and who are not in a position to pay even a small portion of their debts and some of whom even do not possess property worth a pie to call it their own? Is it ostentation, pretension or show that the Govt. like? If so,I am sorry I am not apt to this. I am a plain blunt fellow doing my work honestly and silently without pretending to make a show of what I have been doing all these days and also without making much ado about nothing.

I ask in turn,Sir, are there not Officers highly indebted,some of whose salaries are attached by the Civil Courts and some of whom even do not possess any property. Here I want to know how the Govt are disposed off towards such public workers and Officers who are groaning under heavy debts and against whom there are a large number of Civil cases and decrees of different amounts. Considering it to be ungentlemanly on my part to interfere into the private affairs of other people I refrain from saying one word more in this connection.

I own properties worth ₹ 30,000/- to ₹40,000/- My father-in-law,who is a rich land lord possessing extensive landed properties in Hessarghatta and other places paying a very large amount of assessment, owns properties worth nearly a lakh. You can get them valued if you want. Thus there is no trouble to the decree-holder to realise his decree amount to a pie

from either of us.

Is it a sin that I under certain circumstances unavoidable got entangled into debt and which till today I am discharging honestly without making any one of my creditors to suffer to a pie? Are not Govt. themselves borrowed money to the extent of 3½ crores of rupees? I think you also know the condition of money market all over the world.

To begin with in 1920 His Highness our beloved Maharaja was pleased to nominate me to the Mysore Legislative Council. And afterwards fortunately or unfortunately, the late lamented Sirdar Sir M.Kantaraj Urs, when he was Dewan, sent for me through late Mr. M.Subbiah, who was one of my best friends, and told me that he wants to nominate me to the City Municipal Council in place of Mr. B.Oosman Khan whom he did not ~~was going~~ want to nominate as there was something against him owing to Chaddar case, which had created certain amount of sensation at that time. I wish to know what I should have done then without quietly accepting the offer so generously made by the late Dewan Saheb.

I was nominated as a Municipal Councillor in 1921 and I was unanimously elected as a Vice President also on 21-1-1921. I have worked as an Hon'r Vice President of the City Municipality for a period of 15 months, under no less a person than late lamented Mr. Ananda Rao Sirsi, than whom a more strict hard-working and honest Officer cannot be found in the whole State. I was in charge of the complete cash transactions amounting to thousands of rupees every day and I was also in full charge of the Office. I wish to know, what opinion the Govt. have formed of my work as a Vice President. If they wish to know about my work in the City Municipality, let them depute an

15

Officer to go into the City and ~~found~~ find out what opinion the people hold about my work.

While I was working as Vice President, the Govt. were pleased to nominate me as a member of the Bangalore District Board in 1922. Without any inclination, desire or aspiration on my part to become a public worker, it was owing to Kismat I think that I had to face all this. Late Mr. M. Subbiah was elected as Hon: President. Unfortunately he died after a few months. As I had taken much personal interest in his election, I had come in contact with almost all the members of the District Board. After Mr. Subbiah's death, many of the members of the District Board compelled me to stand for election in his place. You know the result. Some of those who had stood for election, on account of their defeat have made up their mind to vilify me, and some of their friends also have joined hands with them.

Coming to my work in the District Board, I was elected as a Hon: President of the Board, ~~or~~ and immediately there were reports against me by the Vice President direct to the Govt. These reports were entertained by them and you were deputed to hold an enquiry in the matter. After a full enquiry you submitted your report to the Govt. The facts about antidating etc may yet be fresh in your memory. Neither your report nor a copy of it has yet been supplied to me though I have many a time requested for the same in order to place the whole matter of the enquiry before the Board for its opinion as the members are very anxious to know about it.

You may be aware of my work as a President of the District Board. If not and if you care to know, you can depute one of your Officers to find out,

Bree

14

what the general public in the District think of me and of my work.

Soon after I put my appearance in the field of Public Work, an offer was made to me to become a member of Praja Mitra Mandali. I refused,saying,that I do not want to work against the interests of any Caste or Community as I wanted to be a public worker with no vested interests,as the first call to public duty was from my beloved Sovereign,who graciously nominated me to the Legislative Council in the face of lot of opposition from all around and at a time, when I was unknown in the Public Life. Some of the State Officers also began to hate me,because I refused to join the Mandali and to dance to their tunes. A regular campaign has been set up against me with the main object of worrying and defaming me.

I know that all this hubbeb is chiefly due to a number of pseudonymous and ananymous petitions that are being regularly received by the Govt.These petitioners,taking advantage of a little encouragement given to them some time back by the Govt. and by you, by entertaining their petitions,have become bold enough and I am sure that this state of affairs will continue until such petitions are entertained, for which I am in no way responsible.

On the strength of some of these petitions, the Govt. ordered a detail audit by the efficiency Audit Department. The Superintendent audited the accounts etc.in its every detail and submitted his report to the Govt. A very few selected paras of this report were sent to me. Then I wrote to Mr.Mir Hamza Hussain more than once,to send the complete report in order to enable me to place the same before the Board,but it was not done. After Mr. K.Chandy took charge of the Local Self Government Portfolio,

I requested him to send the same and he was kind enough to send the complete report some time back.

The auditors of the Comptroller's Office are auditing the accounts of the District Board every year regularly. Even to-day the Assistant Comptroller is auditing the accounts. I wish to know, whether the Govt. with the exception of a few Pseudonymous and ananymous petiitons regularly sent to them by a few timid, irresponsible and jealous persons who do not like me and my honest work, have come across a single instance of any serious irregularity or defalcation or embezzlement or misappropriation or any short coming in the discharge of my public duty. I shall be very thankful to you and to the Govt. Sir, if some information is furnished to me on this.

I am sorry if the Govt. are not yet satisfied or convinced of my work both in the City Municipality and the District Board, even after your enquiry and report, detail audit by the Efficdency Audit Dept., the yearly audit of the Comptroller's Office and after my explanations and reports on several petitions that were referred to me by you and the Govt. on different Occasions, in furnishing which I have been wasting lot of my most valuable time, which I should have better utilised for the good of the people.

The whole trouble is about a single decree of ₹s 17000/- of which ₹s 12000/- have been paid till now and about ₹s 6000/- have yet to be paid on properties and securities worth nearly about a lakh and a half. As long as I am honest and clean handed and as long as I do everything in accordance to the dictates of my conscience, I need not fear any false imputations against me.

16

I am sorry,Sir, I have been forced by your constant confidential letters to write to you such a long explanation, in order to make you understand the real situation clearly.

If you want any further information I shall be very glad to furnish you the same as far as possible at a moments' notice.

Another point that I wish to bring to your kind notice is that even if I lose all my properties in paying honestly to a pie to the present decree - holder,I am yet a graduate possessing qualification enough to stand for election for any public body without any property qualification,unlike some other public workers, whose Ostentation,pretension and show have kept the Govt. in dark. I am now an elected member of both Legislative Council and the City Municipal Council. I shall be anxiously waiting for a reply from you,Sir, as I want to approach our benign Sovereign through His Highness' Private Secretary in this connection.

Lastly I beg of you,Sir, and the Govt. to excuse me for such a long letter,which was unavoidable and was most necessary to bring you home all the facts.

I beg to remain

Abdur Rahmon, President of the District Board and desiring me to submit a report after an enquiry, I beg to state that on receipt of your reference I issued a notice from the Confidential Branch to Mr. Munivenkatappa to call on me on the 18th November 1924. He did not appear, but sent a reply to the effect that he was not the author of the petition and that he has nothing to complain against Mr. Abdur Rahmon. Apparently the petition is pseudonymous.

As it is desired by Government that the explanation of Mr. Abdur Rahmon should also be obtained and submitted to Government with my report, I have addressed Mr. Abdur Rahmon on the subject and his reply is awaited. On receipt of his reply, a further report will be submitted.

Yours sincerely,
